

Campus Parking

EFFECTIVE APRIL 12, 2023

Coming This Fall

The following changes are expected on the King's Daughters Ashland campus beginning fall 2023 as construction of the new emergency and imaging departments continues. We apologize for the inconvenience, but please know these and other improvements will benefit our patients and their families for decades to come.

- 23rd Street Circle will permanently close.
- Medical Plaza A entrance will move to the covered atrium between Parkview Patient Towers 1 and 2.
- Medical Plaza B will be accessed via the walkway from the 24th Street garage.
- No access between Medical Plaza A and B.
- Outpatient Surgery Center intake/discharge will be accessed via the south entrance on 23rd Street.
- Pharmacy will be accessed via Medical Plaza B or Parkview Patient Tower 2.
- Nephrology and Tri-State Vascular Services will relocate to the 5th floor of Medical Plaza B by the end of 2023 or early 2024.
- Additional closures expected on 23rd Street.

Updates will be posted on KingsDaughtersHealth.com/Build2025.
